New Sizes! 356 and 254

New Sizes! Fold-Over Pouch™ —For the ultimate in convenient storage!

OP/TECH USA's exclusive **Fold-Over Pouch™** now comes in two new sizes to accommodate even more lenses and accessories. It offers a convenient and easy way to store and protect small to medium sized lenses, mounts, converters, adaptors and other miscellaneous items. The soft, durable neoprene construction protects delicate gear against dust, moisture and impact. The unique fold-over closure system has no abrasive hardware and remains attached to the main body at all times so there's no fear of losing it. Keeping gear protected and compact while also offering the versatility to be able to use it with any type of bag while in the field and on the go is a huge advantage of the **Fold-Over Pouch™**. The avid photographer who is traveling far distances or trekking for the afternoon is always looking for ways to keep down the bulk while maintaining good protection. The **Fold-Over Pouch™** is the perfect fit!

Proudly made in the USA, the **Fold-Over Pouch™** is available in several sizes to fit a wide variety of accessories. Choose the one that's best for you!
