SOFT POUCH™ – E-Z CLOSE

SOFT POUCH™ – E-Z CLOSE offers ideal protection in a streamlined design!

Now there's a pouch to protect your delicate gear and still have it fit neatly in a pocket, bag or purse. The sleek design of the neoprene **SOFT POUCH™ – E-Z CLOSE** offers ideal protection along with a quick-and-easy magnetic snap closure. The soft, durable neoprene cushions against impact while shielding from dust and moisture. The magnetic closure is held within the layers of leather and neoprene to keep from coming in contact with delicate control surfaces found on many electronics. The **SOFT POUCH™ – E-Z CLOSE** also features a sewn-in belt loop attachment area that remains flat when not in use so that it keeps a very slim profile. All the protection without the added bulk!

SOFT POUCH™ – E-Z CLOSE is available in black in three sizes to fit the ever-changing demands of the digital and electronic market. It is a great carrying option for everything from smart phones to small digital cameras. Choose the size that's just right for you!
